TIANLONG ADVANTAGES

Capacity:

- Our annual output exceeds 26 billion capsules, which can meet the needs of customers with different purchase quantities;

Quality:

- Advanced automated equipment and facilities, strict indoor cleanliness procedures and perfect quality real-time monitoring, as well as high-quality raw materials to ensure that customers can provide quality products at any time.

SALES PLATFORM:

- Our company has established extensive and friendly cooperative relations with many domestic well-known drug companies. Very familiar with Chinese customers.

Diversity:

- The company can produce 00#, 00#B, 0#el, 0#, 1#el, 1#, 2#, 3#, 4# and other specifications of gelatin hollow capsules and plant capsules. At the same time can be customized according to the customer's color card number and sample production, and according to customer requirements to provide printing services to meet the needs of different customers.

Service:

- We base ourselves on high quality and high-end market. Our products comply with Chinese Pharmacopoeia and international standards and are exported to Europe, America, Japan and other countries;

Delivery:

- We are only one hour away from Beilun Port and the exit is very convenient.

After-sales:

- There is a professional pre-sale after-sales team to provide customers with comprehensive and timely services.
